The Thornwood Society At the Licking County Humane Society

In 2013, the Humane Society took a major step forward moving into an expanded, and vastly improved shelter on Thornwood Drive. The move is a major step in the right direction – we'll save more animals and be in a better position to fulfill our mission.

Members of the Thornwood Society will help ensure that the new shelter isn't an end, but a beginning. It recognizes individuals and families who have invested in our future by making a planned gift in their wills, trusts or estate plans.

As a Thornwood Society member you'll receive a certificate and recognition at the shelter.

Planned gifts allow our organization to build our endowment to ensure that we're able to help pets now and for years to come. Our organization has deeply rooted support and we believe the Thornwood Society is just one more illustration of the difference we're making for pets in Licking County.

Please notify us today if you've included the Licking County Humane Society in your will, trust or estate plans so that we can invite you to the Thornwood Society.

The humane treatment of animals is very important to me. In honor of the vital mission of the Licking County Humane Society, I've recognized the organization in my estate plans. I'm proud to accept an invitation to the Thornwood Society.
