

PET RESPITE SERVICES

No one should have to choose between losing their pet and receiving medical treatment.

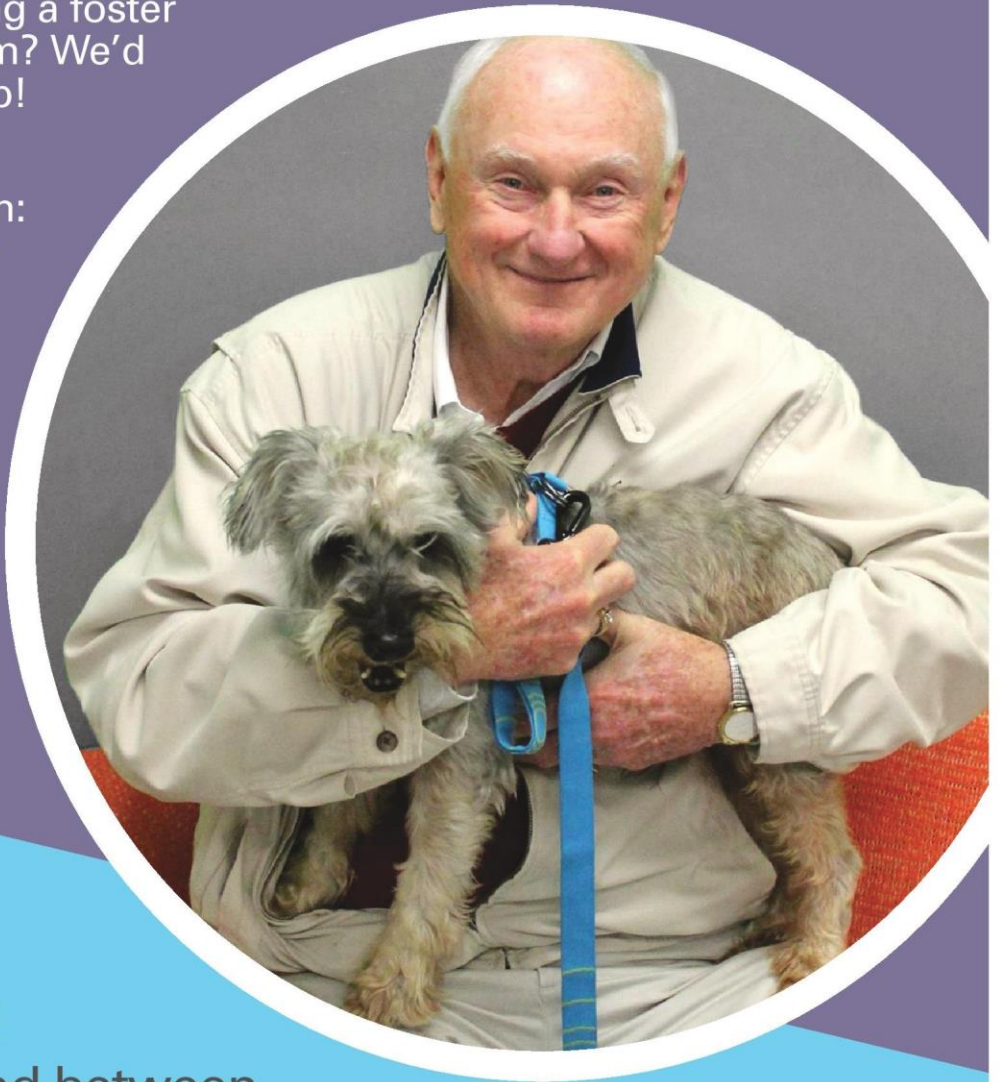

LCHS is here to help!

This program is designed to provide 30-60 days of assistance to pet-owning individuals who need medical care. Pet Respite Services provides a loving foster home for community members who do not have access to pet caregivers.

- Sliding scale, income-based fee
- Interested in becoming a foster home for this program? We'd love to have your help!
- Please contact LCHS for further information:
